

Nature Ref: 2002-11165A (Mudelsee et al.)

Supplementary Information (Part 3 from 4)

Occurrence rates of extreme floods:
 Elbe and Oder,
 winter (W) and summer (S),
 magnitude classes 2 to 3 and 1 to 3.

Arrows indicate trend-test results (upward/downward/no trend) for uncorrected flood records. For further explanation see Fig. 2 of Mudelsee et al.
