

Nature Ref: 2002-11165A (Mudelsee et al.)

Supplementary Information (Part 3 from 4)

Occurrence rates of extreme floods:  
 Elbe and Oder,  
 winter (W) and summer (S),  
 magnitude classes 2 to 3 and 1 to 3.

Arrows indicate trend-test results (upward/downward/no trend)  
 for uncorrected flood records. For further explanation see  
 Fig. 2 of Mudelsee et al.
